

Blondie and Redhead hold out the mug shots of Kane, Gunther, and Marvin to DORCAS, 70, a kindly ELDERLY LADY. Her apartment is on the ground floor.

BLONDIE
Seen any of these three anytime?

DORCAS
(enthusiastically; wears her
glasses)
All look same to me -

Blondie and Redhead exchange "here we go again" looks.
Blondie points to Bayllo's balcony.

BLONDIE
Anyone visit there?

Rika stands on the balcony looking to the distance ... the saddest, loneliest, most miserable face you ever saw.

DORCAS (CONT'D)
The one with the sad face girl? So sad, you know.

REDHEAD
(doesn't care)
Welcome to Planet Earth.

DORCAS
I hear her weeping at night, you know?

Blondie is not concerned with Rika either.

BLONDIE
As do millions of other people.

DORCAS
(deeply sympathetic)
Would you know what's wrong with her?

BLONDIE
(sarcastic; knowingly)
Maybe ... she got married.

REDHEAD
(smug smile)
I'd say you go rub her back? Agony gran?
