

BLONDIE'S KNUCKLES KNOCK ON THE FRONT DOOR

The householder, opens it. Householder is a weird sort.  
HOUSEHOLDER peers suspiciously out from behind the door.

REDHEAD and BLONDIE stand outside the door. Both remind you  
of C.I.A goons.

BLONDIE holds out four mug shots.

BLONDIE  
Sorry to bug you, mam (sir). Have  
you seen any of these men?

CLOSE UP of photos in house holder's hands:

They are photos of Kane, Gunther, Bayllo and Marvin.

Householder studies the photos briefly.

HOUSEHOLDER  
Murderers, rapists or paedos?

REDHEAD  
(curt)  
Answer the question.

Householder ponders a minute. His face and demeanor changes.  
From helpful to loathing.

HOUSEHOLDER  
(inquires)  
Police?

REDHEAD  
Does it matter?

HOUSEHOLDER  
(snarls)  
I hate police.

House holder slams the door in Blondie and Redhead's faces.
